Final Instructions

Welcome to Manxduro 2018, firstly a reminder of some important rules for the event.

- Riding anywhere at the start paddock area is forbidden until your start time. All bikes must be pushed to and from machine examination and to and from the start compound.
- Caution is required when entering and exiting the start onto the public highway
- Only competitors and registered travelling marshals are permitted on the route. Spectators on motorcycles are not allowed to "follow the event" through the plantations, special tests or private land etc.
- All marshals, officials, and timekeepers have given their time on a voluntary basis. In the heat of the moment it is easy to forget this. Please be courteous!
- Strictly NO SMOKING in the refuelling areas!
- Riders are reminded that there are no closed roads and tracks in this event. Please remain alert for other riders, walkers, horses etc.
- No racing on the road
- Please take any litter home or put in the bins.
- And last & most importantly – **have a good ride and enjoy it!**

STRAT LOCATION REGISTRATION AND MACHINE EXAMINATION

The start and registration will be located at the TT Grandstand, sign posted off Glencrutchery road, Douglas. Camping, Caravan and Motorhome facilities will be available including showers and toilets.

Riders are required to sign on presenting a valid ACU completion licence and submit machines for examination on Friday 6th July at the start area, 4.00pm until 9.30pm. Only machines that have passed examination will be permitted into the start compound on the day of the event.

START PROCEDURE

Competitors are required to place their machines in a start compound 15 minutes prior to their start time each day. Failure to do so will incur penalty as per championship regulations.
